Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 05 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning cloudy with some rain overnight. Feeling mild.

This Evening and Tonight:
This evening will see cloud thicken, bringing rain across the region overnight as it progresses eastwards, lingering in southern and eastern parts into the morning. Another mild and rather muggy night. Minimum temperature 10 deg C (50 deg F).

Sunday:
A cloudy day across the region, with outbreaks of rain, primarily in southern and central areas, where it will also feel cooler than recently. Organised showers progress northwards overnight. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
A mixture of sunshine and scattered showers on Monday, some heavy. Dry and fine with some sunny spells on Tuesday. Cloudy but mostly dry on Wednesday, with stronger winds.
